

I just wanted you to know how important I feel about the Christian radio station, K-Love, staying on the air. They use FM translators, and I understand that the FCC may be considering replacing the service with LPFM. K-Love serves me by bringing me inspiration and hope everyday. There are many besides myself in this community who listen to K-Love, and we would be "less" without K-Love. The service provided by K-Love is to help the public, whether by lifting us up, drawing us closer, or helping us cope with each day.
Thank you for taking the time to listen to my comments.
